*KINGS MOUNTAIN HIGH SCHOOL*

Dear Old K. M. High—what special magic your name evokes both to uncertain freshman of faltering step and knowledgeable senior alike. What mysterious web ensnares us in the four years we tread your stairs, move through your halls, and sit in your classrooms? We enter your doors as freshmen of various sizes, shapes, talents, and personalities. When we emerge four years later, we are still different; but there is a golden thread that binds us to you and to each other. For want of a better name, we call it "school spirit", but it goes far beyond that.

It is a special blending of knowledge with dreams, youth with experience, and fact with fancy. There is a gleam in our eye and a belief in our heart that our school is a good place—a place for emerging, developing, seeking, and finding.

Could we but package these ingredients, the world would beat a path to our door. Come with us into fantasy and let us tell you what we think the magic recipe might be . . .

*Take One Student  
And Add A Cup Of  
Inspiration*

*John R. Lutz*

## *You're Special To Us Because . . .*

At the commencement of our high school career, you, Mr. Lutz, impressed us most. Your overwhelming knowledge awed us; but the interest you displayed in your subject and in us, your students, made us feel at ease. Your example taught us that knowledge cannot be acquired unless we dedicate ourselves to finding it. In gratitude for your unselfish concern for the students of Kings Mountain High School, we dedicate to you this 1964 edition of *MILESTONES*.

The Audio-Visual work proves to be a full-time job.

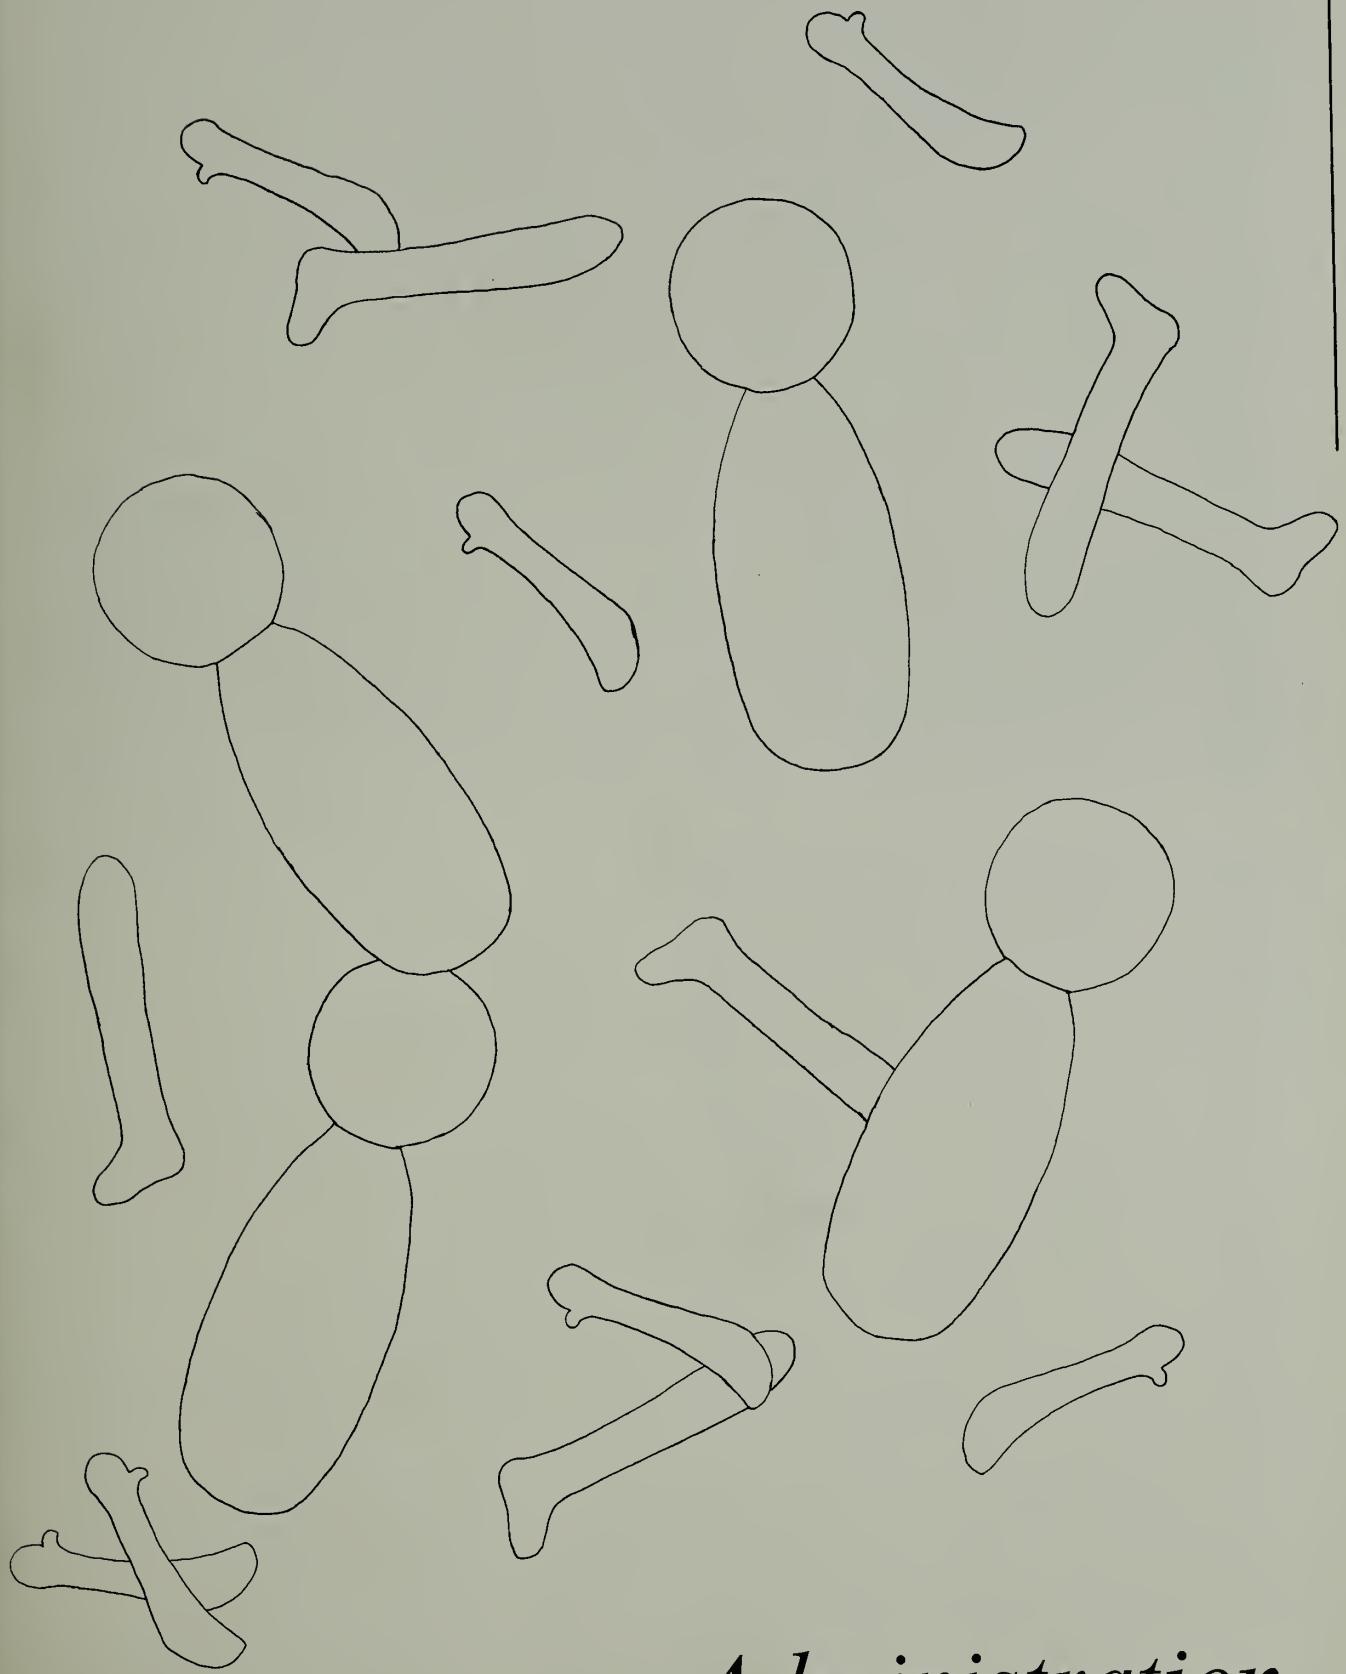

Mrs. Lutz with John Jr. and Juanita.

An active Jaycee, Mr. Lutz helps to sell Christmas trees.

*Administration*

Mr. Otto Williams, Mr. George Mauney, Mr. James Herndon, Chairman, Mrs. J. L. McGill. Mr. Holmes Harry not present.

## *Kings Mountain Board of Education*

Elected by the people of the Kings Mountain School District, the five members of the Kings Mountain Board of Education represent the "policy-making" branch of our educational system.

With our school population increasing each year the problem of space for all our students has been one requiring time and thoughtful study to solve.

Through the efforts of this group final

plans are being state approved for the erection of a high school plant to adequately house a student body of almost a thousand students.

To you community-minded men and women the **MILESTONES** staff would like to express its sincere gratitude and appreciation for the giving of your time, your talent, and your wholehearted interest.

Miss Alice Averitt, A.B., Atlantic Christian; M.A., George Peabody.

## *Keeps "Pulse of School" Normal*

As Supervisor for the Kings Mountain school system, Miss Averitt has the responsibility for co-ordination of the basic educational programs which are accomplished by the teachers. Her expert guidance has helped both students and teachers solve the problems of education which they meet every day. She also provides films and teaching aids so that students may have the advantages of more progressive knowledge.

In the years that Miss Averitt has been associated with our schools, she has proved her worth as an able administrator and understanding person.

Miss Averitt encourages use of audio-visual aids by teachers.

Mr. B. N. Barnes, Superintendent Kings Mountain City Schools.

## *Superintendent Gives "Whole Self" to Job*

The Kings Mountain High School has an interesting history. In 1786 Captain W. T. R. Bell, a Confederate officer, opened a private boarding school in Kings Mountain. Soon, a two-story building was erected on the site of the present Kings Mountain High School and a military feature added. Students from South Carolina and other states as well as from North Carolina attended this school. In 1878 the school was changed from the Kings Mountain Military School to the public high school of Kings Mountain. Through the support and cooperation given by patrons, teachers, and students, this school made

splendid progress through the years and has given us a rich educational heritage.

We are happy to see our patrons, teachers, and students continue to give this school wholehearted support. A school continues to be good, not just because it has a commendable history—it continues to be good through design, careful planning, and cooperative support. With the spirit of cooperation existing at the present time in our school district and especially in our High School Student Body we look forward to the future with confidence.

Mrs. Becky Scism brings a sunny disposition to new position.

Mrs. Wanza Davis, Secretary to the Superintendent performs efficiently in all phases of her work.

## *Capable Staff Assists Mr. Barnes*

Mr. Barnes prepares for a new year.

Miss Martha Houser, Secretary, adds warmth and humor to the principal's office.

## *Progressive Principal Creates Scholastic Climate*

Mr. Jaynes makes important announcement to students on intercom.

Student body is addressed by principal.

This school year serves as a vivid reminder that three major areas of life directly affect you as students. These three areas are a part of our New Day in education in North Carolina.

The first area centers on public interest in formal education. We have been able to determine that student interest in achievement is tremendous. By parental influence and personal desire your accomplishments far exceed those of students a decade ago. Most of you are preparing well for the space age and this particular year rates superior.

The second area reflects a constructive atmosphere for human relations. We find that you are most anxious to respect the rights of others and that you reflect an acumen of the basic problems involved. The moral force ex-

emplified here is most encouraging. Always remember that your faith in the Supreme Being must have more depth than an inveterate worshipper of religious custom.

The third area tells of a compelling desire to keep the ideals of your country strong and free from totalitarianism. Threats from numerous sources confronted us this year and we have realized that rights of free men are earned through great sacrifices.

I trust that you will let the three ideas of (1) Strong faith in God (2) Excellent formal education (3) Keen human understanding of individuals and nations constructively influence you throughout life. Let this annual help you remember that Kings Mountain High School was a vital part of your preparation for success in these endeavors.

## *Are Keys to Annual's Success*

Willie Anthony, Linda Roberts, Ann Trott, Judy Morris, Mrs. McKee.

The "behind-the-scenes" work of the members of the business staff makes MILESTONES possible. Their work of soliciting advertisements (the principal source of publishing this annual) was begun during the summer months. Proceeds from a sock hop, the concession stand at basketball games, the student supply store; and subscriptions also aided in financing the 1964 edition.

The members of the business staff are to be congratulated for giving so freely of their many hours to make this annual available to you, the students. Through them, you have a pictorial review of your high school year, 1963-64, to give you many hours of enjoyment in the future.

The band practices diligently for spring concert.

In addition to performing at Mountaineer football games and in the "Mountaineer Days" parade, the KMHS band participated in many out-of-town football games and parades. Homecoming at Western Carolina, band day at Carolina, and the Shrine Bowl in Charlotte all saw our band present.

They marched in Christmas parades at Forest City and Belmont. Our school is proud of the fine, hard-working band that represents us so superbly.

Band departs for one of the many parades in which it participated.

## *Nothing But "Sunshine" For*

The 1963 football season for the Kings Mountain Mountaineers started off with a bang. Mastered in the basic rudiments of the gridiron sport, our last year's products of reconstruction set their sights toward victory and the SWC crown. This was our year of attainment, the result of hard work and enthusiasm put forth by the Mountaineers. The team we had waited so eagerly for had now materialized, and with confidence unexcelled, the Mountaineers began a football season never to be forgotten.

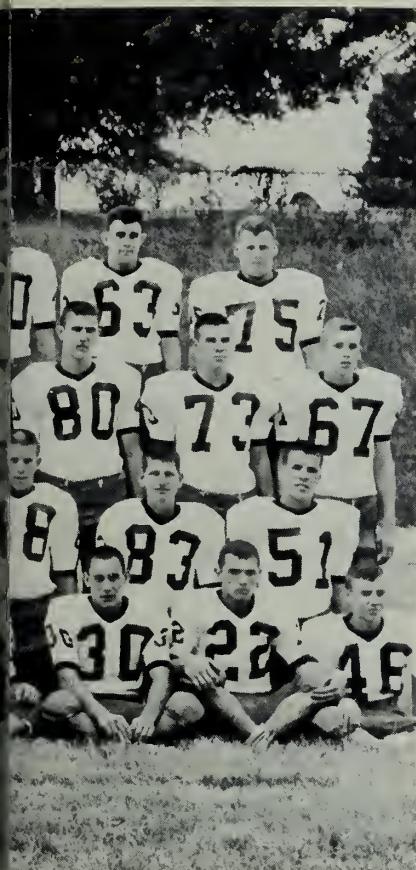

If nervousness is any indication of an opening night, the Mountaineers did not show it as they chalked up their first conference victory by romping over the Ironmen of Cherry-

ville, 18-0. Success was attributed to fine action on offense.

Stanley was next to fall victim to the K. M. Gridders. The entire line played excellent football offense and defense. The Stanley Blue Devils were smothered 28-6 by the Mounties.

The Mounties continued their winning streak at Chase. A final score of 36-6 proved the better team, as K. M. came out on top with ease once again.

East Rutherfordton, next on the agenda, was destined not to be an easy game. But the K. M. gridders not only had confidence but also skill. Tedious practicing proved beneficial to K. M. as the Mountaineers ripped East with a score of 26-8.

## *The Mountaineers, SWC Co-Champs*

Homecoming highlighted the next game as the **Mountaineers** butted heads with **Bessemer City**. A large crowd not only viewed fine homecoming activities, but also a well-played game by the victorious **Mountaineers**. The final score was 45-7. The conference crown loomed ahead as, for the first time in years, it came within our grasp.

**Shelby** was perhaps our leading contender for the SWC title. Thousands turned out to see the annual battle between the **Mounties** and the **Golden Lions**, in one of the most thrill-packed games ever played for a high school championship. Both teams were undefeated, and the tension mounted heavily on both sides. At the end of the fourth quarter the score was 7-7, a deadlock which meant sharing the conference crown, if both teams went on undefeated. All participating **K. M.** gridders played a very fine game worthy of praise.

The following week an inspired **K. M.** football team downed a highly regarded **Mooresville** eleven 14-0. The **K. M.** defense held **Mooresville** to a total of 136 yards, while the **Mountie** offense rolled up 290 yards in rushing and passing.

The victim of the next **K. M.** attack was **R. S. Central**. The final score was 6-0.

**Belmont** was next to fall to the mighty **Mounties**. The final score of this non-conference game was 20-0.

**Lincolnton**, our final game, was one of the most important. It determined whether **K. M.** shared the SWC title with **Shelby**. A 14-7 victory by the **Mounties** secured our position as SWC co-champs.

This year **K. M.** shared the crown—next year we may be the conference champ, bar none.

## *Perfect Ending For Successful Season*

At their banquet, the Gastonia Gazette presented its annual "Coach of the Year" award to Bill Bates.

Presentations of trophies to outstanding players of the 1963 Kings Mountain football team highlighted activities at the traditional Lions Club Football Banquet, December 5. University of North Carolina head coach Jim Hickey delivered the principal address of the evening. Two trophies were presented this year in addition to the three trophies which have been given previously.

## *Miss Hi Miss*

Each year a junior girl is elected by her class for this coveted title. In a special issue of THE JOHNSONIAN, student newspaper of Winthrop College in Rock Hill, South Carolina, these girls will be honored along with many others from high schools within a one-

hundred mile radius of the college. They will also spend a gala week end in April as guests of Winthrop. The Miss Hi Miss was chosen on the basis of scholarship, leadership, personal attractiveness, and character.

## Beauty Queen

The lovely Carrousel Princess who represented Kings Mountain High School in 1963 was Mary Anne McCurdy. Mary Anne was chosen by the senior class on the basis of beauty, charm, and personality. The Carrousel activities included a trip to Charlotte, a get-acquainted tea, a Thanksgiving Day parade, and a banquet followed by an elegant ball.

Mary Anne was also chosen to represent Kings Mountain as Miss Mountaineer in its centennial celebration of the Battle of Kings Countain. She reigned over several contests, a parade, and a celebration at the Kings Mountain National Park.

Miss Mountaineer reigns at centennial parade.

## *D.A.R. Good Citizen*

Each year the Kings Mountain Chapter of the Daughters of the American Revolution presents a Citizenship Award to a senior girl who is chosen by her classmates. This selection is based on scholarship, character, personal attractiveness, and leadership.

The winner receives a certificate, and a

pin, and is invited to a regular meeting of the local chapter. She is also invited, along with her mother, to attend a Good Citizen tour of the Hezekiah Alexander House in Charlotte. This year the D.A.R. Citizens of the third District made a television appearance.

## Better light—better sight!

Study time is eyestrain time! Reading . . . writing . . . study . . . all these need the right light to help your eyes see . . . and there's a right size bulb for every job. • Use at least a 150-watt lamp bulb of the diffused type. • Eliminate dark shadows by having general room lighting. • Eliminate glare by making sure no unshielded lights are in sight.

The Milestone Staff would like to use this space to express its gratitude to the large number of advertisers. The advertisements that appear in this yearbook produce a large part of the revenue to pay the publishing cost. If it were not for these generous people, this annual could not be offered to the students at such a reasonable price.

We hope each student will read these pages as they are a part of your book, and you can show your appreciation by patronizing the firms who appear therein.
